Resignation as non-executive director of boards in Sinch Group

I am writing to formally confirm that I have previously submitted my resignation as CFO and a non-executive director of all India companies in which I have a position, within the Sinch Group (the "Company"), a list of which is attached as appendix 1 hereto. My resignation in the boards will take effect from Monday, 17th February 2025.

This letter serves as a formal acknowledgment of my decision to resign, which I have communicated earlier. Upon the General Meeting's resolution regarding my resignation, I will be granted a full and final release from liability for my management responsibilities within the Company. In this regard, I confirm that, to the best of my knowledge, there are no facts or circumstances other than those explicitly disclosed to the General Meeting that I would reasonably consider material and that should be disclosed before granting me this release from liability.

Furthermore, I acknowledge and confirm that I have no claims against the Company in my (former) capacity as a non-executive director, including claims for loss of office, unpaid remuneration, or otherwise. I also affirm that by the effective date of my resignation, I will have returned all property belonging to the Company that is in my possession or under my control.

Yours sincerely,

DocuSigned by:
